GENERAL AUGUSTO PINOCHET UCARTE
PRESIDENTE de la REPÚBLICA
EDIFICIO DIEGO PORTALES
SANTIAGO, CHILE.

Your Excellency,

As a member of Amnesty International, I was concerned
to hear about the incommunicado detentions of

Aurelio del RIO FIGGELKOW
Cristian GALAZ
José Miguel CARTAGENA
& Pedro Luis HENRIQUEZ Farias.

I would respectfully request clarification of their whereabouts and
legal situation, urging that they be immediately released if no
charges are brought against them. I also urge that there
prisoners be treated humanely while in detention. This is in line with
the United Nations International Covenant on Civil and Political
Rights which I understand your country ratified on 10/2/72. I
would respectfully urge that Article 7 be upheld.

Yours faithfully
P. S. Jones
