Nov. 12, 1980

Your Excellency,

please let me turn to you with an urgent humanitarian appeal on behalf of two citizens of your country. I have been quite concerned to hear that

Cristian Galaz and Pedro Luis Enriquez

have been arrested on Nov. 13 and 19 without official confirmation. Since their security seems to be highly endangered, may I ask you to

1. clarify their legal situation and / or
2. see to it that they are either brought to trial or released immediately
3. guarantee for their personal security and a humane treatment according to the Pacto Internacional de Derechos Civiles y Politicos, Articulo 7.

In the hope that you will do everything possible to ensure a just and fair treatment of these two citizens

I remain Yours respectfully
