Dear Sirs,

I am writing to tell you I have written letters of appeal to senior government officials, on behalf of

Maria del Rosaria Moya Ibarra, a nurse, who worked at the Hospital José Joaquín Aquirre, before she was arrested on 30 September, 1980.

Also Alonso Antonio Gomez Ocaranza, an industrial draftsman, who was arrested in March, in the office of his company DOMCO'S.

The officials I have appealed to are —

- Gen. Pinzochet
- Sr. Sergio Fernandez
- Gen. Humberto Rubio
- Gen. Cesar Mendoza
- Admiral José Taribio
- Gen. Fernando Maffei

Please do anything you can to help these two people.

Yours sincerely,

Kay Cooper.
