Walberberg, October 3rd, 1980

Dear Lady and Sir,

I have heard about an incident which happened in your country on October 20th, 1980 in Santiago.

Carlos Eduardo Gonzalez Guzman was arrested by the police of security.

His arrest is verified by authorities, but reasons for it were not mentioned. Also it is not made known where he is imprisoned.

Being worried about the fate of this man, I would like to ask you to see to it, that he would not be harmed in any way while in prison.

Also I demand the clarification of his momentary place of stay.

Yours sincerely
